YOUR CAREER

The Teacher Education Department of the T.A. Marryshow Community College is responsible for the training of teachers for the schools in the country. Thus upon successful completion of the programme's requirements, graduates will be eligible to fulfill teaching duties and other related educational tasks in one of the country's many primary and secondary schools.

PROGRAM DESCRIPTION

As a student of this program, students take General Education courses that will prepare them to teach verbal and written communication, math, social science, natural science, and the humanities. Students also become proficient in the latest classroom technologies!

GRADUATION

Once students complete the required course work and have earned the applicable credits, they must fill out a Request to Graduate form which is available online for download or from the Admissions Office . They may attend the T.A. Marryshow Community College graduation ceremony as long as they are eligible to graduate.
