YOUR CAREER

An Associate Degree in social science won't necessarily lead one down a prescribed career track, it can be valuable as one enters the world of higher learning. The Associate's Degree should help graduates learn to communicate more clearly. Employees with Associate's Degrees generally earn higher wages than those with only a high school diploma or its equivalent.

PROGRAM DESCRIPTION

Instructional programs that focus on the systematic study of social systems, social institutions, and social behavior .

GRADUATION

Once students complete the required course work and have earned the applicable credits, they must fill out a Request to Graduate form which is available online for download or from the Admissions Office . They may attend the T.A. Marryshow Community College graduation ceremony as long as they are eligible to graduate.
