VACANCY

The T. A. Marryshow Community College invites applications from suitably qualified persons to fill vacancies for Faculty positions **in the School of Applied Arts and Technology** specializing in **Mathematics** and **Automotive Technology** respectively.

The successful candidate will be required to **inter alia**:

1. Give instruction in the courses assigned;
2. Plan, develop and maintain the currency of the curricula of the College;
3. Evaluate student performance and assign grades for each student in their courses;
4. Recommend students for academic awards, degrees and certificates;
5. Guide and counsel students in planning their academic programmes and in the selection of their courses; and
6. To undertake related duties assigned from time to time.

Potential candidates with a specialization in Mathematics should possess at least a Bachelor's Degree or equivalent professional or technical certification in the relevant area. Further to this, experience in teaching at the tertiary level will be an asset.

Potential candidates with a specialization in Automotive Technology should possess relevant professional or technical certification and have extensive industry experience in the area.

Interested persons are asked to submit an application with a Résumé to the:

Human Resources Manager
T. A. Marryshow Community College
Tanteen
St. George
GRENADA

The deadline for Applications is **September 18, 2020**.
